JACOB ROBERT PRICE,      )                           ORDER  
                                )  
Defendant.                 )

This matter is before the court on the Motion to Continue Trial [23]. Counsel needs additional time allow the parties sufficient time to continue to prepare for trial, while simultaneously improving the odds of resolution short of trial. For good cause shown,

**IT IS ORDERED** that the Motion to Continue Trial [23] is granted, as follows:

1. The jury trial now set for March 21, 2022, is continued to **May 31, 2022**
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and May 31, 2022**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

**DATED: March 9, 2022.**
